

BANKING LICENCE
REPUBLIC OF KIRIBATI

AXSETRA BANKI
Incorporation No. CP-000022
Licence No. KBN-90-000001

Nature of Business (SIC):

Non-custodial platform for creating and trading binary prediction markets on verifiable events using Solana blockchain.

Authorised Banking Activities:

- Acceptance of deposits from nonresident clients
- Granting of loans and credit facilities
- Money transmission and payment services
- Issuance of financial instruments
- Foreign exchange services
- Trade finance
- Such other activities as recognised by the Authority as customary banking practice

This licence does NOT permit:

- Domestic banking activities with residents of the Republic of Kiribati
- Acceptance of deposits from Kiribati residents
- Services to persons resident in Kiribati without prior written approval of KIFA
- Activities not expressly authorised under the Banking Act

The licence authorises the above-named entity to provide Gambling services **exclusively to non-resident clients**, in accordance with the Kiribati Financial Institutions Act 2021 and related regulations. The licensed entity is subject to ongoing supervision, AML/CFT compliance, and capital requirements as determined by KIFA.

Issued by:

Kiribati International Financial Authority (KIFA)

19 July 2011
